Product Fiche

The basic information

Model: DS-18KIDB-2(WD), DOS-18KIDB-2(WD);

Manufacturer / Address: Eurofred S.A./ c/Marqués de Sentmenat, 97, 08029 Barcelon#AL

Sound power level (indoor unit / outdoor unit): <u>58/63</u> dB(A); Refrigerant: R32 ;

Refrigerant leakage contributes to climate change. Refrigerant with lower global warming potential (GWP) would contribute less to global warming than a refrigerant with higher GWP, if leaked to the atmosphere. This appliance contains a refrigerant fluid with a GWP equal to <u>675</u>. This means that if 1 kg of this refrigerant fluid would be leaked to the atmosphere, the impact on global warming would be <u>675</u> times higher than 1 kg of CO₂, over a period of 100 years. Never try to interfere with the refrigerant circuit yourself or disassemble the product yourself and always ask a professional.
